4.1.04

This book is dedicated to every student that never knew Loyola had a yearbook. Now you know, buddy.

Enjoy!

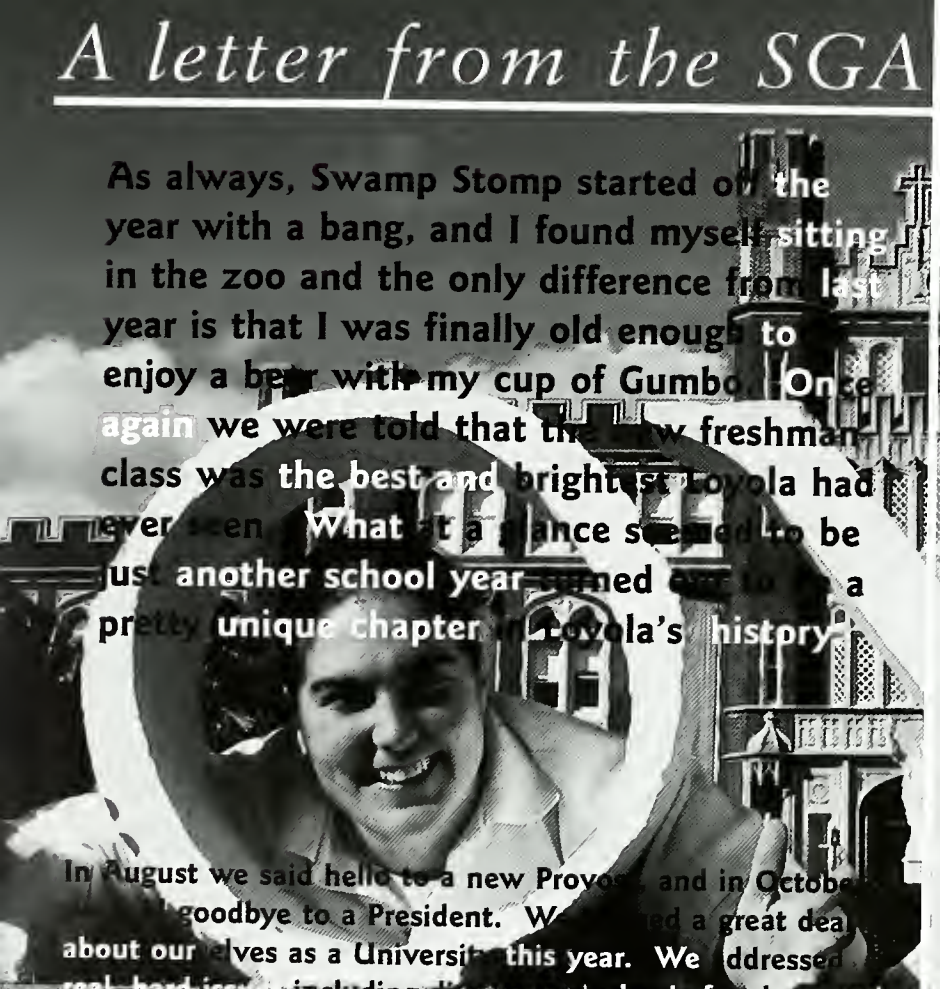
2003 - 2004

A letter from the SGA President & V.P.

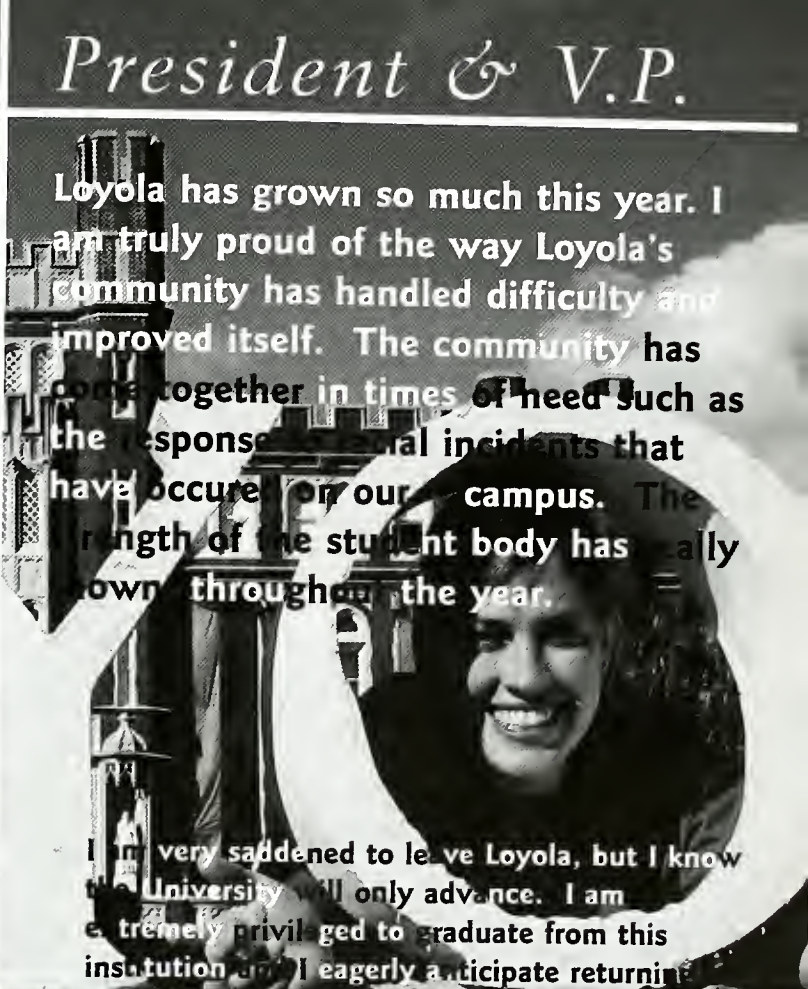
As always, Swamp Stomp started off the year with a bang, and I found myself sitting in the zoo and the only difference from last year is that I was finally old enough to enjoy a beer with my cup of Gumbo. Once again we were told that the new freshman class was the best and brightest Loyola had ever seen. What at a glance seemed to be just another school year turned out to be a pretty unique chapter in Loyola's history.



In August we said hello to a new Provost and in October goodbye to a President. We learned a great deal about ourselves as a University this year. We addressed real, hard issues including diversity, academic freedom and ultimately justice. The theme throughout this journey has been improvement and growth. Fr. Knoth led us from good to great and Loyola's next President will lead us from great to better, but the caliber of our faculty and students will always be Loyola's strength in the journey.

Bea Forlano
Student Government Association President

Loyola has grown so much this year. I am truly proud of the way Loyola's community has handled difficulty and improved itself. The community has come together in times of need such as the response to racial incidents that have occured on our campus. The strength of the student body has really shown through the year.



I am very saddened to leave Loyola, but I know the University will only advance. I am extremely privileged to graduate from this institution and I eagerly anticipate returning over the years to see what has changed and what has stayed the same. My best advice to the returning students is to truly appreciate the time you have left at Loyola because it goes by very quickly. Take advantage of every opportunity that comes your way.

Mary Grace Stewart
Student Government Association Vice President

Out with the Old...

In October of 2003, Loyola was shocked by the sudden, controversial resignation of University President, Father Bernard Knoth.

...In with the Interim.

By the time word reached the University, via a campus e-mail, Loyola already had a new Interim President, Father William Byron.

SIGNS of Campus Life

"The care that Loyola shows to others is one of the most redeeming qualities about our University. We have seen traditions continue and expand into even greater events, such as the annual Hurricane party."

- Mary Grace Stewart

SIGNING OUT | Seniors

"When we walk across the stage there will be a plethora of thoughts running through our minds. 'I won't ever be able to tan in the Quad again,' 'I need to find a job QUICK,' 'I wonder if that kid is naked under his gown...' but all in all, we will be thankful for the experiences we had and the friends we made."
